1. ****Prompt****: In his Prologue, Orange claims that "we are the memories we don't remember, which live :

1.0.1 | Idea

- rough: we are not the memories we don't remember, we live in the memories we don't remember
 - seems pedantic, but this small nuance has much broader implications
 - you can reject reality (denial)
 - even if you don't know how it got there, you know what it is and can avoid it
 - you can change it (hope)
 - also, what was done to the ancestors (breadth)
 - not just "we are what our ancestors did," you are what was done to your ancestors

? "the sense that everything didnt come out"

mapping edwin: - denial - second life - internet obsession - hope - breadth

1.0.2 | qoute bin

- denial
 - "but I dream of the internet"
 -
- hope
- breadth
