Begin! Computer Security

White hat. for sure. yeah. that one.

> 💬 **Comment**
>
> Most people seem new to comp sec...

> ❗ **Important**
>
> evalutate own work so u cant be taken advantage of, and learn how you learn and also try to learn about comp sec!

> 🔢 **Example**
>
> this is an example
> **BOLD**

Submission:

explain how to run it! explain with comments!
self score for every one
otherwise it will not be graded

> ❗ **Important**
>
> dont hack you own laptops!
